

There are **TWO MEASURES** on the February 8, 2022 **BALLOT**

We are asking voters to consider renewing two levies—one to fund day-to-day school operations to ensure **EVERY** student in our district has access to a safe and updated learning environment; and one to fund technology that supports student learning.

▶ **EDUCATIONAL PROGRAMS & OPERATIONS LEVY**

Student success

Making sure our students have enough teachers to keep class sizes low, and para-professionals to provide classroom support. Continue to provide up-to-date textbooks and curriculum.

Student health and safety Providing a full-time nurse in our schools. Continuing building upgrades throughout the district.

Student programs and opportunities

Continuing funding for early learning and Special Education programs, and access to extracurricular activities, athletics, arts, music, and career and technical educational opportunities.

▶ **TECHNOLOGY LEVY**

Innovative learning

Ensuring every student has the technology they need to learn.

Devices for each student Investment in technology with 1:1 computer access for our students.

Replacing aging devices and improve infrastructure

Replacing aging devices so students and employees have access to relevant technology, and technology infrastructure can function adequately.

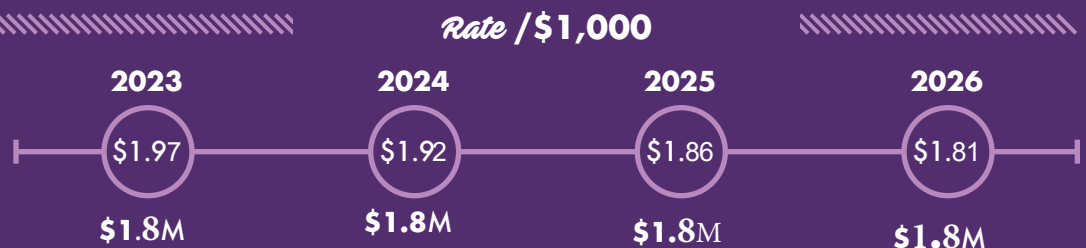

Technology support and training

Making sure our students and staff have training on technology, tools and programs to ensure success for all learners.

WHAT IS THE COST FOR THE TWO LEVY RENEWALS?

EP&O LEVY

For a property owner with an assessed value of **\$500,000**, this equals approximately **\$985** a year, or **\$82** a month.

TECH LEVY

For a property owner with an assessed value of **\$500,000**, this equals approximately **\$220** a year, or **\$18.33** a month.
